same evening. Can you help?

Investigations are being carried out into two burglaries and one attempted burglary that have happened during the evening of Friday, September 8.

It is believed the properties, on Cemetery Road, were targeted sometime between 9pm and 11pm that night. Cash and jewellery were taken.

DC Dan Appleby said: "We believe these properties may have been targeted by the same offender, and we would really like to speak to anyone who may have been in the Cemetery Road area and noticed anything suspicious that evening.

"I would also urge anyone who may have any information about the incidents, or jewellery for sale which seems suspicious, to contact us."

Officers are also reminding residents to be security conscious at home, particularly when away on holiday or out during the evening by taking steps such as leaving lights and radios on timer switches, or asking a neighbour to park on your driveway.
