(Tuesday, May 22).

The 34-year-old was convicted at Snaresbrook Crown Court in January 2007 and was sentenced to life imprisonment for possession of a firearm and robbery.

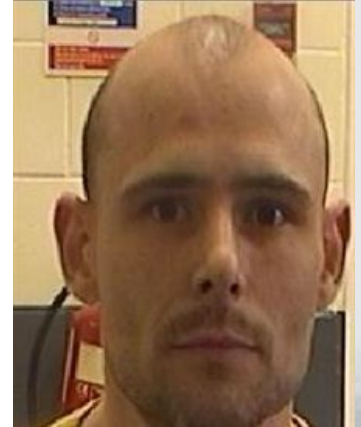

He is described as white, clean shaven, with very short dark blonde hair and brown eyes. He is 5ft 8ins, is of slight build and has a tattoo of a dragon on his right arm.

Crowley has links to Essex, London and South Wales.

We would advise members of the public not to approach Crowley and instead contact Derbyshire police on the non-emergency 101 number or ring CrimeStoppers anonymously on 0800 555 111.

If it is an emergency situation call 999.
