## **We asked: What are the priorities in your neighbourhood?**

**You said:** Anti-social behaviour in the car park of All Saints Church, Wingerworth.

**We did:** Carried out numerous patrols in the area and spoke to many young people in vehicles during the evening. We are working with the rector to try to keep the car park closed in the evenings. The ideal solution is the erection of a barrier across the entrance; however some local difficulties regarding this have arisen. We are continuing our patrols and this has led to a reduction in calls.

**You said:** Anti-social behaviour around the Parish Hall, Holymoorside.

**We did:** Conducted high-visibility patrols and liaised with partner agencies including the parish council to find ways to make it more difficult for youths to gain access to the hall. We have also spoken to the young people about their behaviour and the effect it has on the community. We will continue our patrols and work to arrange alternative activities for youths to take part in.

The team holds regular partnership meetings which allow members of the public to raise any concerns and help set the issues we will be tackling. We also hold monthly drop-ins at Wingerworth Library, New Road. The upcoming dates are Thursday, January 14th, 2010 2-5pm, Thursday, February 4th, 2010 5-7pm and Thursday, March 25th, 2010 2-5pm.
