## **FREEDOM OF INFORMATION REQUEST - REFERENCE NO: 01/FOI/24/006284/S**

I write in connection with your request for information which was received by Derbyshire Constabulary on 22/10/2024. I note you seek access to the following information:

*How many schools do the Youth Engagement Officers work across?*

### **Result of Searches**

Following receipt of your request, searches were conducted within Derbyshire Constabulary to locate any relevant information. The searches located information relevant to your request.

### **Decision**

I have today decided to disclose the located information to you in full.

Information held.

Our school programme is offered to all schools in Derbyshire and Derby city; our youth engagement officers focus on secondary schools, whilst PCSOs and Police Officers on our safer neighbour teams will engage with the primary schools. As your request is about our youth engagement officers specifically, the numbers of secondary schools in each area are as follows:

Derbyshire Dales: 6

High Peak: 6

Amber Valley: 15

North East: 8

Chesterfield: 12

Erewash: 10

Derby North: 9

**Making Derbyshire Safer Together**

Telephone 101 | Text Relay 18001 101 | [www.derbyshire.police.uk](http://www.derbyshire.police.uk)

Derby West: 8

Derby East: 8

Derby South: 10

The term 'several' is different for each youth engagement team as this is based on the makeup and number of schools they have within their beat area. For some several may be 3 schools for others it could be 5.

Our YETs have regular contact with all of their secondary schools, whether that is delivering formal inputs, holding drop-in sessions with students, working closely with staff to address issues raised and support at various school events.

- Police forces in the United Kingdom are routinely required to provide crime statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the crime data. It should be noted that for these reasons this Constabulary's response to your questions should not be used for comparison purposes with any other response you may receive.
