## Herbert Protocol

This form is intended to provide information which will assist the police in their searches should the person it refers to go missing.

Please complete the form as fully as possible. However, do not worry if you don't have or cannot get all of the information it asks for. Some of the information will apply to everyone and any information could be helpful. Please save the form in a place where it can easily be found if the person it refers to goes missing. This could be in an electronic format or handwritten.

The Form may need to be located quickly, at any time of the day, by the person who may need the information to begin the initial searches. It would be helpful if you make several copies which can be kept safe by care workers, neighbours or relatives. It should be kept up to date and be transferred with the person if they move.

When complete, the form will contain personal information and must be stored appropriately to protect the person's confidentiality. It is important that if the person goes missing this information is shared with the police and other professional agencies. The police will only ever ask for the form if the person is reported missing.

***This information may be shared with agencies such as police and social care if the person is reported missing.***

***Thank you for taking the time to complete it. It could help to save someone's life.***
